Updated Proof of Residency Requirements

Starting with the 2021-2022 school year, our buildings will ask every current family to provide updated proof of residency to the school that serves the oldest child in the family. The documents will be collected August 1 through October 31. A list of the approved documents is provided below. Please contact your school's secretary or registrar for further information. New enrollments will be required to provide full [proof of residency documentation](#).

Homeowners:

Provide current utility bill (water, sewer, electric, gas) within the last 30 days with matching mailing address and service address.

Leases:

Provide current lease with all occupant names and utility bill (water, sewer, electric, gas) within the last 30 days. Utility bill mailing address and service address must match. If a lease transitions to month-to-month then provide the updated addendum. If it is a mobile home trailer and pad, then the lease for both should match. Leases should include all pages of the lease.

Residing with Someone Else:

Owner/Lessee should provide a lease, ALTA Settlement Statement, or Real Estate Tax Statement. Owner/Lessee should also provide a utility bill, valid photo ID, and notarized letter.

Parent/Guardian residing with someone else should provide a photo ID and Affidavit of Residency Form. Parent/Guardian residing with someone else should also provide official mail from a federal/state agency, current bank statement/loan statement, or utility bill.

Guardianship:

All guardianship situations and documentation will need to be updated this year and annually.

Please contact your school's secretary or registrar for further information.

CHROMEBOOK INSURANCE

The district is offering an insurance program for your child's Access Initiative device (Chromebook). **The cost to participate in this program is \$20* annually.** Participation is optional. Coverage takes effect once payment is received, and the Access Initiative device is issued to your child. It is not retroactive. Buying into the program provides coverage only during the current school year, so from the time payment is received through the end of the school year which is June 30. The program fee is non-refundable and does not transfer to the next school year if the insurance is not used.
