

STONE CREEK HOUSE SYSTEM

"Together we learn, lead, SOAR!"

WHAT IS THE HOUSE SYSTEM?

Stone Creek is excited to be implementing a "House system" to promote community across the grade levels & throughout the school, to encourage positive behavior & expectations, and to teach students to take ownership of their role in the community. At Stone Creek, we truly believe that "together we are stronger". Our House system is not about dividing or winning. It is about uplifting one another and cheering each other on.

HOW DOES IT WORK?

On the very first days of school, students and new staff members will be sorted into four different houses. Students will spin a spinner that will determine which House they will become a member of. You don't choose your House...the House chooses you! Each House will form a community that encourages school pride, leadership, and comradery. Each student will work to earn points for their House. There will also be House team building activities and House competitions throughout the school year.

HOW CAN STUDENTS EARN POINTS?

Students can earn points for: academic success, attendance, honor roll, exceptional behavior, manners, or displaying leadership habits.

WHO CAN AWARD POINTS?

The best part of the house system is that the incentive program involves everyone in the school. Teachers, office staff, custodians, cafeteria staff, and bus drivers can award points. Students quickly recognize that eyes are always watching!

HOW WILL POINTS BE TRACKED?

Points will be awarded and tracked using the Ron Clark Academy House Point app. Staff will use the app to award house points. Families can use the app to see the live school house point totals while also seeing when your individual child earns a house point.

You can download the RCA House Points app (Google or Apple) onto a device OR you can use the website <https://rcahousepoints.com>. You will need our school code as well as your child's code before you are able to access the app.

More information about how to sign-up to use the house points app will be sent out at the beginning of the year!

MEMBERSHIP AND ROLES

Students are assigned to Houses randomly and they will stay in their selected House for the remainder of their time at Stone Creek.

Within each class, there will be 4 Class House Leaders (one leader for each House). At the beginning of each quarter new Class House Leaders will be selected. Students that show exceptional manners, leadership skills, and/or effort can be chosen as Class House Leaders. Class House Leaders will be responsible for various leadership roles within the classroom.

Once students are in 5th and 6th grade they will have the opportunity to apply to be House Leaders for their entire House (K-6).

HOUSE NAMES

Each House is named after a stone. Our Houses are characteristics that we believe are important for students to embody.

House Name	House Color	House Belief	Shield/Crest
Rhodonite	Red	Generosity	
Tanzanite	Blue	Positivity	
Carnelian	Orange	Creativity	
Malachite	Green	Inspiration	

CELEBRATING SUCCESS

At the end of each quarter, the House that has the most points will hang their House flag on the flagpole in the front of the school. At the end of the school year, the House that has earned the most points will be declared the House Champions!
