## WSD Family/Guardian Belonging and Culture Survey Now Open | Take the Survey Now!

As part of the WSD's ongoing efforts to meet the goals within the Comprehensive School Improvement Plan (CSIP), district surveys will be administered to students in grades K-12, families, and staff. The surveys are designed to solicit feedback about the sense of belonging created within each building as well as perspectives regarding building/department culture. Each school and department within the district will use this survey data to understand the current reality and to make improvements moving forward.

Take the family/guardian survey now by <u>clicking here</u>. The family/guardian survey will remain open through Jan. 20.

#### Take the WSD Family Belonging and Culture Survey

\*\*This survey link is specifically for parents/family/guardians ONLY. Student surveys will be done at school.\*\*

The district windows for students to take the surveys will be Jan. 30-Feb. 10 and May 1-19.

For more information regarding these surveys, including logistics about the administration of the surveys, a preview of the surveys, and information on how to opt-out, please check out our <u>WSD Belonging and Culture Survey page</u>.
