RE: 2020-2021 Academic Calendar

---

Per Board Policy, the Board will annually adopt a school calendar that will provide for a minimum of 174 days and 1,044 hours of pupil attendance. The beginning of the school year will not generally be set more than ten (10) days prior to Labor Day. Should the Board decide to set an earlier start date, the Board will:

- Give public notice of the meeting to discuss an earlier start date
- Conduct a public meeting
- Vote at that meeting to allow an earlier start date

In September, the BOE voted to approve a start date that could be more than ten (10) days prior to Labor Day.

Attached is a proposed academic calendar for the 2020-2021 school year for the February 21, 2019 Board of Education meeting. Please ask the Board of Education to approve the attached proposed calendar.
