

Dear Heritage Families,

Throughout the duration of the academic year, the Wentzville School District partners with community agencies that specialize in providing students, families, and educators with preventative education. Agency presenters are credentialed, coordinated through the District, and under the supervision of building administrators. Presentation topics are targeted toward specific grade levels. **All students will participate in each program, unless you choose to opt your child out of the lesson(s).** If you are interested in opting your student(s) out of presentation(s), please click the appropriate link(s) below.
