

WSD Inclement Weather/School Closing Information

Timely communication with our District families is always a priority, but especially important in emergency school closing situations. If WSD schools are forced to close due to inclement weather or other factors (i.e. power outages, water main breaks) parents/guardians and students will be notified in the following ways:

District Phone Call/Text/Email

The Wentzville School District utilizes Blackboard, a mass communication broadcast system that allows school administrators to notify all households by phone, text and email within minutes of an emergency or unplanned event that causes early dismissal or school cancellation. The service may also be used occasionally by individual schools to communicate general announcements or reminders. Please be sure to notify the school office about any change in your personal contact information. You always have the option of how you would like to receive notifications (you can turn off the call and only receive texts and/or emails for example). Simply contact the Community Relations office to change your preferences by calling (636) 327-3800, ext. 20357 or email kathleendelaquil@wsdr4.org.
