### **HOMEWORK**

Students are expected to schedule some time each afternoon or evening to complete homework. Homework generally falls into two categories:

1. Practice of skills introduced during a class period
2. Long-range assignments, such as projects or reports

Students should expect homework on a regular basis and should complete it neatly and on time. Students will have one school day for every school day absent to turn in work and be accepted for full credit. Late work will receive reduced credit based on the grade level policy.

Parents or guardians of a student may request information about assignments if a student has been absent from school two or more consecutive days. Students should check their teachers' Canvas pages for their work and class updates.

### **ARRIVAL/EARLY DISMISSAL**

All students should report to the main office with a parent/guardian or a note from home when entering the building after 7:35 in the morning. Consequences will be given on the fourth unexcused tardy to school.

When a student needs to be dismissed early, a parent/guardian must report to the main office and sign the student out. The student will then be called to the office for dismissal.

## FOOTBALL GAMES

For the safety of all of our students, and out of respect for those who are there to enjoy the game, we ask that **all elementary and middle school students attend football games with a parent or guardian that STAYS at the game.** The large number of middle and elementary students roaming around without an adult cannot be adequately supervised by our District administrators. Students will be reminded of this policy through the morning announcements, lunchtime and during our team meetings at the beginning of the year. We appreciate all of your support and help in this matter.

## **BICYCLE/SKATEBOARDS/SKATES**

The school will provide bicycle racks for those students who ride their bicycles to school. It is the student's responsibility to secure the bicycle to the bicycle rack. Students should wait until the busses have departed before leaving school. Skates, skateboards, and scooters are not allowed in the building or on school grounds at any time.

Households that could benefit from a free and reduced price are still encouraged to complete and submit an application for free and reduced price meals to the district for processing. Free and reduced data is used to help maintain meal count system requirements, report to the Department of Elementary and Secondary Education for funding formulas, and establish eligibility for other benefits, particularly Pandemic Electronic Benefits Transfer (P-EBT) and Emergency Broadband Benefit. Visit the WSD website for full information on Free & Reduced Meal Guidelines.

The Wentzville School District cafes are devoted to enhancing children's health and well being by providing healthy school meals. Students have several options for lunch. The cafeteria offers a variety of choices including the daily entrée special, a specialty salad or sandwich entree, and a daily alternative or international choice. We also offer a variety of vegetables, fruits, salads, and milk. Students must select a fruit or a vegetable. You can help your child make healthy choices using the monthly menus that are posted on the District website and in every classroom. Water, juices, and other snack items are available for an additional charge. Breakfast is offered daily 20 minutes before the beginning of the school day. We offer a variety of hot breakfast items as well as cereal, toast, milk, juice, and fresh fruit daily.

The Wentzville R-IV School cafes use a debit system to manage your child's food purchases. Each child is issued a personal PIN number when they are enrolled in the District. The student uses this PIN number to access their account. Payment to your student's account is accepted by cash or check or by credit card (online). **Checks should be made payable to Wentzville School District. Credit / Debit Card payments are only accepted online through the District website. Parents must sign up for Parent Portal access to make an online payment to your child's lunch account. Credit / Debit card payments are no longer accepted in the school or over the phone.** Online payments are credited to the account immediately. The parent portal allows you to make payments and monitor purchases. PayPal is used as a clearing agent for these transactions. It is a secure online payment processing

service that uses the latest electronic security to protect your information. Please be aware that there is a nominal convenience fee per transaction. Online payments for students can now be made from an Android Tablet with Chrome or an iPad Tablet with Safari. Contact the school office for Parent Portal registration. To ensure proper credit, money should be sent to school in a clearly marked sealed envelope with the student's name, grade and amount enclosed. Preprinted envelopes provided by the school are available in the cafeteria and in the main office and should be used whenever possible.

Therefore, the rules of student conduct will be issued to all students at the beginning of the school year, and to new students upon enrollment. Students who fail to observe these rules will be subject to immediate disciplinary actions.

Students using District transportation are under the jurisdiction of the school from the time they board the bus until they are released at school or at the stop nearest their home.

**Bus Expectations:**

**CARE OF SCHOOL PROPERTY**

We are proud of our school and the way that it looks. It is the responsibility of every student to show proper care and concern for halls, cafeteria, classrooms, lockers, furniture, and books. Students who intentionally damage or destroy school property will receive disciplinary action and will be required to make financial restitution.

Students are responsible for any textbooks, library books or technology checked out to them or used by them during class time. All materials should be handled with respect and care and returned in good condition. Any damage should be reported to the teacher when the book is checked out to the student. There are penalties for lost or damaged textbooks. For example, the student or the student's parents/guardians could be required to pay the fair value for replacement of a lost or destroyed book or for repair of a book. No student is to be penalized if a book is lost because of factors beyond his/her control. If the loss is reported immediately, and if the administration agrees that the loss was beyond the student's control, fines will be cancelled.

## **COUNSELORS**

Students wishing to see a counselor should arrange for an appointment by going on their teachers' Canvas pages and filling out an appointment request. Students will be seen based on need, except in cases of emergency. Students are required to get a pass to the office if they wish to make an appointment.

## **DISTRICT EVENTS CALENDAR**

The District Events Calendar is easy to use and contains updated information about events all across the District. The calendar can be viewed in a variety of ways – district wide, or as individual school events – simply by clicking on the drop down menu at the top of the calendar. There are plenty of ways to access the calendar via the District home page, [www.wentzville.k12.mo.us](http://www.wentzville.k12.mo.us). You can access the District Events Calendar under “Calendars” as well as on individual school home pages. Make sure to add it to your “favorites”, so you always know what’s going on at school!

## **FLYER DISTRIBUTION**

The Wentzville School District cooperates with community groups and organizations that sponsor activities of an educational/enrichment nature for students by distributing materials electronically via Peachjar. As part of our efforts to be more environmentally friendly, embrace innovative technology, and maintain fiscal responsibility, we have transitioned from paper to electronic flyer delivery. To request approval for a flyer, please follow the steps below. Once approved, your flyer will be emailed to all parents and posted online. Paper flyers from outside organizations will no longer be distributed. (The only exceptions are for the YMCA, Wentzville and Lake Saint Louis Parks & Rec because of existing partnership agreements).

- Visit [www.peachjar.com](http://www.peachjar.com)
- Register as an Enrichment Provider (account type).
- Upload your flyer for approval.

You are also able to access Peachjar from the district website.

Your flyer will be automatically submitted to the District office. District staff will review the material and approve or deny based on the standards below. Peachjar charges a fee for this service that is typically much less than the cost to copy and deliver paper flyers to each school.

Each District school has an area in or near the front office designated for “student availability” and here you can locate flyers from organizations such as the Boy/Girl Scouts, YMCA, and the Parks and Recreation Departments. The Wentzville School District only allows flyers to be sent home in student backpacks that are from internal clubs/teams, or partner organizations such as the school PTO/PTA. Approved materials from non-profit organizations will also be available on the District website. If you are looking for information about sports camps, recreational activities,

or other events, just go to the District homepage [www.wentzville.k12.mo.us](http://www.wentzville.k12.mo.us) and click on the Wentzville Middle School homepage. Click on “Peachjar” located on the left side banner. All materials intended for our students and their families must be approved by the Community Relations Department before they are made available for distribution.

## **VOLUNTEERS**

The Wentzville School District values parents, guardians, and community members who take the time and effort to volunteer in our schools and classrooms. Volunteers are an important resource that helps our teachers, administrators, and support staff better serve our students. The District also strives to ensure that the volunteers in our schools are screened to help maintain the safety of our students and staff. More information about becoming a volunteer will be available following the start of school and can be located on the [district website](#).

## **VISITORS**

Principals and teachers welcome and encourage visits by parents/guardians. A visitor is defined as any individual who will be in an assembly area such as an auditorium or gymnasium for the purpose of a play, recital, talent show, etc. or in the cafeteria to eat lunch with their child. All visitors are required to report to the main office when entering the building so that the office staff will be aware of their presence. When a patron of the school has a need for a conference with a teacher or counselor, an appointment should be made so the staff member may continue with his/her assigned duties without undue interruption.

In order to minimize the potential harm to staff and students, persons listed on the sex offenders list may not be present in any school building, or on district property, in any district vehicle utilized to transport students, or be present at school activities. Visitors will be required to show their Driver’s License and enter it in the Raptor system in order to be given entry to the building.

## **SCHOOL NURSE**

A full time nurse is at the school each day. Students who become ill at school should ask a teacher for a pass to the nurse or fill out an online request on their Tyler SIS homepage. In the event that the nurse is not in her office, students should report to the office.

The school nurse must administer all medications consumed by students at school. State law requires that the nurse only on individual written orders of a physician may give medications. All medications must be taken to the nurse’s office in the original container, clearly marked with the student’s name, date, prescribed dosage, and time medications are to be given.

A student is not allowed to attend classes or other school sponsored activities, if he or she is known to be infected with a contagious disease. If the nurse should determine that a student has a contagious condition, she will contact parents or guardians immediately and arrange for the student to be picked up.

## **ACTIVITY PARTICIPATION RULES**

Every student should realize that participation in activities is a privilege that carries definite responsibilities. All regular school rules apply when students are involved in school activities, whether at the school itself, or elsewhere. Misconduct during activities or athletic events may result in suspension or, in the case of serious offences, expulsion from the club, activity or team. Regular rules apply to spectators as well as participants.

During any suspension (ISS or OSS) students lose their privileges to attend school-sponsored events such as dances, middle school basketball games, track meets, or other events. This rule also applies to high school events. Students will be sent home without refund if they are ineligible to attend these events.

## **ATHLETIC ELIGIBILITY**

Participation in athletics is reserved for eighth graders at Wentzville Middle School. All athletes, cheerleaders, and pomers must have on file with their coach or sponsor a current physical, parent permission card and a signed copy of the Athletic Code of Behavior.

To be eligible for participation in athletics, cheerleading, pomers, a student must comply with all regulations established by the Missouri State High School Activities Association (MSHSAA). Further information on MSHSAA eligibility standards may be obtained from the Director of Student Activities or an Administrator. In addition to MSHSAA eligibility, students must meet behavior expectations in order to participate as well.

**Sportsmanship** – One of the goals of interscholastic athletics is learning lifetime values. Sportsmanship is one such value that makes athletic games an educational experience. Students are reminded that interscholastic events are an extension of the classroom, and lessons are best learned when proper respect is accorded to by all. Students and spectators are expected to demonstrate good sportsmanship at all events.

## **AFTER SCHOOL SOCIAL EVENTS**

After school social events are held several times a year. The dates will be found on the school calendar and will be announced in advance. Since these events are for WMS students only, visitors will not be permitted to attend. Students should be picked up promptly. For safety reasons, students may not leave a social event early unless a parent comes into the building and checks their child out with one of the administrators. In addition, students must have a signed parental permission form in order to attend social events.

## **ACTIVITIES AND ORGANIZATIONS**

We urge all students to become involved in at least one activity each year. The following activities are offered at WMS:

## **LOST AND FOUND**

The Lost and found rack is located in the cafeteria. All items not claimed will be donated to charity at the end of each quarter.

## **FINES**

Students are strongly discouraged from having large amounts of money at school. The school will not be held responsible for money that is lost or stolen.

## **TELEPHONE/CELL PHONE USE**

Students will be allowed to use the telephone in the office in the event of an emergency or unexpected schedule change. Students should refrain from sending or receiving texts during the school day. They need to use the student phone in the student office if they need to contact a parent. Before coming to the office, a student must get a pass from a teacher. If a student misses his/her bus, the student should report to the office immediately so that a call may be placed to the parent/guardian.

**All electronics (cell phones, tablets, Airpods, MP3 players, games devices, cameras etc.) should be turned off and stored inside the student's backpack during the school day.**

They should not be audible, visible, or in use from the time a student arrives at school prior to classes commencing to the time the student is dismissed from classes.

## **SURVEILLANCE CAMERAS**

Surveillance cameras are located throughout the school building. Cameras are not located in restrooms, locker rooms or classrooms. Anyone on school property may be recorded.

## **NATIONAL JUNIOR HONOR SOCIETY**

The Wentzville Middle School Chapter of the National Junior Honor Society is a duly chartered and affiliated chapter of the national organization. Membership is open to those students who meet the required standards in five areas of evaluation: scholarship, leadership, service, character, and citizenship. Standards for selection are established by the national office and have been revised to meet our local chapter needs.

Students are invited to submit a Student Information Sheet for membership consideration by a five-member Faculty Council provided they have met the following criteria:

1. Be a second-semester 7<sup>th</sup>, or 8<sup>th</sup> grade student who has attended WMS for one complete semester.
2. Have a cumulative Grade Point Average (GPA) of 3.6 on a 4.0 scale.
3. Have no more than **one** major referral in the current school year, and have **no** referrals requiring disciplinary action of 5 or more days of out-of-school suspension.

The Faculty Council will review all Student Information Sheets and select those students who will be invited to become a member of the NJHS Chapter.

Once inducted, members are expected to maintain the same level of performance in all five areas of evaluation that led to their selection. This obligation includes regular attendance at chapter meetings, participation in both chapter and individual service projects, and maintaining a cumulative GPA of 3.6.

## **ATTENDANCE**

### **Truancy and Educational Neglect**

Truancy and Educational Neglect The Board of Education believes regular attendance is important to academic success. Therefore, the Board directs that problems with attendance on the part of any student be investigated and acted upon promptly.

Truancy is defined as deliberate absence from school on the part of the pupil with or without the knowledge of the parent/guardian and for which no justifiable excuse is given. When a pattern of truancy becomes evident, the principal will investigate and take such action as circumstances dictate.

Section 210.115 R.S.Mo. mandates reporting to the Division of Family Services when there is reasonable cause to suspect that a student's nonattendance is due to the educational neglect of the parents/guardians. subject to home conditions or circumstances which would reasonably result in truancy will immediately report or cause a report to be made to the building principal, or his/her designee, who will then become responsible for making a report via the Student Abuse Hotline to the Missouri Division of Family Services (DFS). The building principal shall inform the Superintendent/designee that a report has been made, and keep the Superintendent apprised of the status of the case. (Board Policy 2340).

### **Truancy**

It is the responsibility of every parent/guardian to ensure that their child (ren) attend school regularly. When a pattern of truancy or excessive absence is identified by the school principal, the following procedures will be followed to address the concern.

Truancy is defined as absence from school (full or partial day) without the expressed consent or knowledge of the parent/guardian. Chronic truancy is defined as unexcused absence from school for ten (10) or more days per school year.

1. When a pattern of chronic truancy is identified, parents/guardians will be notified in writing of the concern and the disciplinary action to be taken as provided in the Student Misconduct and Disciplinary Consequences.
2. A personal conference with the building administrator and any other relevant school personnel (e.g., teacher, counselor, nurse) will be requested. At this conference, the administrator will assess the nature of the truancy concern and determine if referral to: 1) available school resources; 2) Children's Division; or 3) Family Court is warranted.
3. If a parent/guardian does not participate in the school conference, the principal will determine appropriate action based on available information.
4. The Superintendent/designee will be notified of all referrals to Children's Division and Family Court using the District Incident Report.

## **Excessive Absence**

Excessive absence is defined as any absence from school for ten (10) or more days per school year. Parents/guardians are to verify all student absences either by phone contact with the school office or by written note. Unverified absence will be considered truancy.

1. Parents/guardians will be notified at least three times a year or more often in writing of the school's concern about their child's attendance. The principal will consider the age, grade and circumstances creating the absence in determining the content of the parental notice.
2. If the school is notified that a significant health concern is preventing the child from attending school, doctor verification may be requested. Homebound educational services will be offered to the child when an extended or intermittent illness of ten (10) or more days is anticipated pending completion of a homebound application by the child's physician. (Board of Education Policy 6275)
3. If it is determined that a child's excessive absence is not due to significant health concerns, and the child has been absent for fifteen (15) or more days, a personal conference with the building administrator and any other relevant school personnel (e.g., teacher, counselor, nurse) may be requested. At this conference, the administrator will assess the nature of the concerns contributing to the child's absence from school. If educational neglect is suspected, referral to Children's Division and/or the Family Court will be made. Referrals should be made in writing directly to the District's assigned Juvenile Officer and should include the nature of the action requested (formal or informal Court intervention) and the facts supporting the referral. Referral to other available school resources will be considered.
4. If a parent/guardian does not participate in the conference, the administrator will determine appropriate action based on available information.
5. The Superintendent/designee will be notified of all referrals to the Children's Division and Family Court using the District Incident Report.

School personnel have been notified by the Eleventh Circuit Family Court Judge that a referral from the school will result in the parent/guardian and child being summoned to appear before the Court.

School officials may be called to Court to testify about the student's absences.

Parents/guardians may be charged with educational neglect for failing to ensure regular school attendance by their child. (Board of Education Policy and Regulation 2340) Revised 05It is the responsibility of every parent/guardian to ensure that each child attends school regularly. When a pattern of truancy or excessive absence is identified by the school principal, the following procedures will be followed to address the concern.

## **Excusable Absences**

In case of absence, it is the responsibility of the parent/guardian to notify the school. If the school is not notified on the day of absence, a note from the parent/guardian or parental contact via email will be required on the first day of the student's return to school. The absence will be recorded as unexcused if a note or telephone call is not received.

Excusable absences include:

1. Illness of the student (Doctor's statement may be required to support such absences).
2. Days of religious observance.
3. Death in the family.
4. Professional appointment (such as a lawyer, doctor or counselor appointment).
5. Birth of a sibling.
6. Military deployment of parent, grandparent or sibling.

The following procedures should be followed by students who are absent so as to prevent academic difficulties:

1. The student shall obtain assignments from appropriate staff members and check for work on the teachers' Canvas pages. Assignments shall be obtained in advance if the absence is foreseen.
2. All classroom work (to include tests) shall be completed as indicated by the individual classroom teacher and/or the building administrator. As a general practice, students will be allowed to complete the work in a timeframe equal to the time the student missed school.

## **Excessive Absences**

Excessive absences, excused or unexcused, have a detrimental effect upon academic progress and may be one factor considered in promotion/retention decisions.

### **Definitions**

For the purpose of this Regulation, the following terms are defined:

- jokes;

## **OBLIGATION TO REPORT**

The District is steadfastly committed to providing an inclusive environment that is free from discrimination and harassment for all of its students and staff. Unless a concern is informally resolved, staff and students shall report all incidents of discrimination, harassment and retaliation to the Compliance Officer as set forth in this Regulation. When a formal complaint is filed with the Compliance Officer, the investigation and complaint process detailed below will be used, including a possible determination by the Compliance Officer that the incident has been appropriately addressed through the informal process. Reports of discrimination, harassment and/or related retaliation must contain as much specific information as possible to allow for proper assessment of the nature, extent and urgency of preliminary investigative procedures.

## **INTERIM MEASURES**

The District will take action to protect a complainant or persons subjected to discrimination, harassment, or retaliation as necessary during the course of an investigation. Appropriate interim measures will be offered and may include, but are not limited to, physical separation, contact limitations, reassignment, alternative work or assignments, altering class or bus seating assignments, additional supervision, counseling, training, warning, conferences, exclusion and employee suspension pending an investigation as permitted by the District's policies and law. Additional interim measures to prevent retaliation may include, but are not limited to, notification of the retaliation prohibition, confirming the individual knows how to report retaliation, and follow-up contact.

## **INVESTIGATION AND RESPONSE**

The District will investigate allegations of harassment, discrimination, and/or retaliation and take appropriate steps reasonably calculated to resolve the situation, eliminate the misconduct, prevent its recurrence and as appropriate, remedy its effects. The District will take equitable and remedial action within its authority on complaints that come to the attention of the District, either formally or informally.

Allegations of criminal misconduct will be reported to law enforcement and suspected child abuse will be reported to law enforcement and/or the Children's Division. Regardless of whether the misconduct is reported to law enforcement and/or the Children's Division, school staff will investigate to determine what occurred and take appropriate steps to resolve the situation, to the extent that such investigation does not interfere with an ongoing criminal investigation.

Engaging in harassment, discrimination, and/or retaliation will result in appropriate discipline or other appropriate sanctions against offending students, staff or other third parties involved in District activities. Anyone else who engages in harassment, discrimination, and retaliation on

school property or at school activities will have their access to school property and activities restricted, as appropriate.

Employees and students should fully cooperate with investigation process.

## **RETALIATION**

The District prohibits retaliation against a person who files a complaint of discrimination or harassment, and further prohibits retaliation against a person who participates in related proceedings or investigations.

Notwithstanding this provision, employees or students found to have intentionally made false or materially misleading allegations of suspected discrimination, harassment and/or related retaliation under this Regulation may be disciplined, up to and including dismissal or expulsion.

## **CONFIDENTIALITY**

The District will respect the privacy of the complainant, the individuals against whom the complaint is filed, and the witnesses to the extent possible, consistent with applicable law, the District's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligations. However, pursuant to the District's discretion, information may be disclosed, if necessary, to aid in the investigation, resolution, or appeal of the complaint.

## **CONSEQUENCES AND REMEDIES**

The District will take prompt, effective and appropriate action to address substantiated discrimination, harassment or retaliation, prevent its recurrence and remedy its effects.

### **Consequences**

Consequences for violations of this Policy and Regulation may have educational, restorative, rehabilitative and/or punitive components.

Conduct constituting harassment, discrimination or retaliation as defined in this Regulation will be subject to discipline including, but not limited to, written warning or reprimand, conference, required training, "no contact" order, reassignment, probation, suspension or termination for employees, suspension or expulsion for students, or exclusion from District property.

In the event that the evidence suggests that the conduct at issue is also a crime in violation of a Missouri criminal statute, the District Compliance Officer shall report the conduct to the appropriate law enforcement agency charged with responsibility for handling such crimes.

As required by and in compliance with law and District policy, a report will be made to the Missouri Children's Division if there is reasonable cause to suspect abuse or neglect of a child.

Students, employees and others will not be disciplined for speech in circumstances where it is protected by law.

### **Remedies**

The District will consider remedies for the victim as appropriate including, but are not limited to, providing additional resources such as counseling, moving or reassignment of the perpetrator, or allowing the victim to retake or withdraw from a class.

An allegation of discrimination, harassment and/or related retaliation complaint may not necessarily stop, delay or affect pending personnel actions. This includes, but is not limited to, performance evaluations or disciplinary actions related to a reporter who is not performing at acceptable levels or standards or who has violated district policies or regulations.

### **TRAINING & PUBLICATION OF POLICY**

The District will train its employees on this Policy and Regulation. The training will include the requirements of nondiscrimination and the appropriate responses to discrimination, harassment, and retaliation. The District will notify its employees to report complaints of discrimination, harassment or retaliation in accordance with this Policy. This training will be provided to employees on an annual basis, and at such other times as the Superintendent, in consultation with the District's Compliance Officer, determines is necessary or appropriate. Additionally, the District will provide additional training to the District Compliance Officer on identifying, investigating, and reporting on acts that may constitute discrimination, harassment or retaliation. District students will be notified regarding this Policy. This Policy will be posted on the District's website and available in Central Office.

### **BULLYING**

The District is committed to maintaining a learning and working environment free of any form of bullying or intimidation by students toward District personnel or students on school grounds, or school time, at a school sponsored activity or in a school related context. Bullying is the intentional action by an individual or group of individuals to inflict physical, emotional or mental suffering on another individual or group of individuals.

Bullying occurs when a student communicates with another by any means including telephone, writing or via electronic communications, intention to intimidate, or inflict physical, emotional, or mental harm without legitimate purpose, or physically contacts another person with the intent to intimidate or to inflict physical, emotional, or mental harm without legitimate purpose. Physical contact does not require physical touching, although touching may be included.

Students who are found to have violated this policy will be subject to the following consequences depending on factors such as: age of student(s), degree of harm, severity of behavior, number of incidents, etc. Consequences: loss of privileges, detention, conference with administrator or teacher, parents contact, in-school suspension, out-of-school suspension, expulsion and/or law enforcement contact. District employees are required to report any instance of bullying of which the employee has first-hand knowledge.

Moreover, the District will provide training for employees relative to enforcement of this policy. [Board of Education Policy 2655](#) - find this specific policy under the Policies tab

## **DISCIPLINE BEHAVIORAL EXPECTATIONS**

The discipline code set out in this regulation is intended to be illustrative but not an exclusive listing of acts of misconduct and the consequences for each. Misconduct, which is not specifically listed in this regulation, may be deemed to warrant discipline up to and including expulsion following provision of all due process procedures. In addition, the disciplinary consequence listed for each offense may be increased or decreased by the Administration or the Board of Education due to mitigating or aggravating circumstances. When a student is suspended out of school, the student will qualify to make up missed assignments and receive credit. The principal or assistant principal, with input from appropriate teachers, will monitor the expected date for make up work to be complete.

## **TARDIES/LATE TO SCHOOL**

Students will be allowed two tardies per class per semester. On the third tardy to a class, the teacher will contact the student's parents via a telephone call or email. On the fourth tardy to a class per semester, the teacher will assign afterschool detention and contact the student's parents via telephone or email. The fifth tardy for a class in a semester will be referred to the appropriate principal who will assign two after-school detentions. A sixth tardy to a class in a semester will be referred to the appropriate principal who will assign one day of in-school suspension. Tardies beyond six per class per semester will be referred to the appropriate principal who will assign a consequence. Students who are late to school will be considered tardy.

Late to School-Attendance includes reporting to school by our start time and staying until dismissal. Good school attendance is essential for academic success. Reporting to school on time is very important for a middle school aged child. It is good character practice, and it helps the children feel more connected with their classmates. Students who are late to school more than three times per semester may receive consequences through the assistant principal; this may include reasons that are verified by the parent. Consequences will follow the tardy policy.

## **STUDENT DRESS**

The Board of Education expects student dress and grooming that aligns with community standards, so that each student may share in promoting a climate of belonging within which the value and worth of every student is honored within the school district. This expectation includes the school day and school sponsored extracurricular activities. The Board may require students to wear a school uniform.

Students shall observe modes of dress and standards of personal grooming that align with the educational environment and necessary to maintain an orderly and safe atmosphere for all students. Apparel is expected to conform to reasonable student standards of modesty, and as such, no excessive or inappropriate areas of skin or under garments may be exposed. No apparel or grooming is permitted that has the potential to incite conflict and violence, including, but not limited to gang-related messages, hate/bias symbols, sexually explicit, vulgar, violent messages, or advocating illegal activities. Further, no clothing or personal grooming that disrupts, or can be forecasted to disrupt, the educational environment is permitted.

## **DISCIPLINE/CONSEQUENCES**

### **Teacher Assigned Detentions**

After School Detentions will be written and administered at the teachers' discretion for cases of minor classroom disruptions, failure to comply with classroom assignments or other acts of irresponsibility.

### **Discipline Referrals**

Referrals are written by teachers and dealt with by a principal in accordance with the Wentzville District R-IV School Code of Conduct. Depending upon the severity of the infraction, the student will receive a conference, and usually one of the following consequences.

#### *After School Detention*

Detention begins at 2:35 p.m. and lasts until 3:30 p.m. Students assigned to after school detention should bring adequate work to last forty-five minutes. No talking is permitted during detention. Students should have pre-arranged transportation home after detention. Failure to report for detention or to abide by these rules will result in additional consequences.

#### *In-School Suspension*

In-school suspension is a structured disciplinary action in which a student is isolated or removed from regular classroom activities, but is not dismissed from the school setting. The principal/designee may assign students to the in-school suspension program for a reasonable and specified period of time. Students will be given regular classroom assignments to be completed while in the ISS room. Failure to complete assignments may result in additional ISS time. Students are to take all of their books and necessary supplies to the ISS room when assigned.

Students are expected to remain in the ISS room for the duration of the day. Participation in after school activities is not allowed while serving In School Suspension.

### *Out-Of-School Suspension*

Out of school suspension will be assigned for the most severe infractions or for repeated offenses. The term “suspension” refers to an exclusion from school for a specific period of time short of permanent exclusion. Building principals are authorized to suspend students for periods of time not to exceed ten (10) consecutive school days for violation of District Regulations, and are authorized to impose additional suspensions of not more than 10 consecutive school days in the same school year for separate acts of misconduct. Building principals may also recommend extensions of suspension for periods of time up to one hundred eighty (180) consecutive school days by the Superintendent. The Superintendent may suspend students for periods up to one hundred eighty (180) consecutive school days and recommend longer suspensions and expulsions to the Board of Education. Only the Board may impose suspensions in excess of one hundred eighty (180) consecutive school days. Students may not be on the school premises during the period of this suspension. Homework can be completed for full credit, and it is available after 2:35 p.m. the following day of the first day of suspension. When a student is suspended out of school, the student will qualify to make up missed assignments and receive credit. The principal or assistant principal, with input from appropriate teachers, will monitor the expected date for make up work to be completed. Assignments not completed will be recorded as a zero.

## **EMERGENCY SCHOOL CLOSINGS**

Timely communication with our District families is always a priority, but especially important in emergency school closing situations. If WSD schools are forced to close due to inclement weather or other factors (i.e. power outages, water main breaks) parents/guardians and students will be notified in the following ways:

### **District Phone Call/Text/Email/Push Notification**

The Wentzville School District utilizes [Blackboard](#), a telephone broadcast system that allows school administrators to notify all households by phone within minutes of an emergency or unplanned event that causes early dismissal or school cancellation. The service may also be used occasionally by individual schools to communicate general announcements or reminders. Please be sure to notify the school office about any change in your personal contact information! Also be sure to download the WSD app ([for Android](#) and [Apple](#)) and enable notifications for your child’s school. **Remember, notifications can always be customized by parent (for example, you don’t want to receive the calls, only texts and emails) by contacting the Community Relations Department at 636/327-3800, ext. 20357 or your child’s school office.**

## **FAMILY RIGHTS AND PRIVACY ACT**

The Family Rights and Privacy Act provides students, parents and guardians with the right to inspect educational records pertaining to the individual student. In the Wentzville School District, information from student files will not be available to unauthorized persons within the school or to any person outside the school without the express consent of the student or the parents/guardians, except to comply with a judicial order or a subpoena or in cases where the safety of persons or property is involved. If an official of another school system in which the student enrolled requests a student's record, the record may be released. However, written authorization to release the record will be sought and encouraged from the parent/guardian, if the student is unmarried and under 18 years of age. Otherwise, the authorization will be sought from the student. Requests in writing will be considered as a release by an individual applying for school admission or employment. Copies of records of students currently enrolled will be made available to authorized personnel upon request.

## **MIDDLE SCHOOL TECHNOLOGY 1:1 ACCESS INITIATIVE (CHROMEBOOK USAGE)**

The Wentzville School District believes that to more effectively prepare students for life in today's 21st Century, they must be engaged and learning at school in the same fashion that they are engaged and learning outside of school. Because technology pervades all aspects of today's society, this means being adaptable to innovation, digitally savvy, and virtually connected.

Providing a free technology device to every student (often referred to as "one-to-one," or abbreviated "1:1") is just one of many strategies WSD employs to prepare students for success in today's world. In a 1:1 learning environment, students are provided Chromebooks to better equip them for anytime-anywhere learning, teachers receive continued professional development to better equip them to provide innovative instruction, and all consequently become the beneficiaries of 21st Century education.

Students are issued their devices at the beginning of the school year with a district protective carrying case & charging cord to use throughout the school year. The devices issued will continue to stay with the student through the following school years, unless they move out of the district, in which case all items (computer, case, charging cord) will need to be turned back into their school(s).

### **LOCKERS**

Students will not be assigned lockers for the upcoming school year and will, instead, be asked to carry their supplies with them throughout the school day in their backpacks.

### **ARRIVAL TO SCHOOL**

Buses will unload and doors will be opened for student entry at 7:15 AM. Any students who arrive at school before 7:15 AM will be asked to enter and stay in our school lobby.

Once students enter the building they have the option of proceeding to the cafeteria to eat breakfast or directly to their first core classroom. In order to eat breakfast in the cafeteria, students must be purchasing food from the cafeteria.

### **DRESSING OUT FOR PE**

Students will not be required to dress out for physical education. They should plan to have appropriate footwear and clothing for physical education on the days they have that class.
