Requested/Required Documentation:

- Student's immunization record (satisfactory evidence of immunization is a statement, certificate or record from a physician or health facility that verifies the type of vaccine, the month, day, and year of administration; required before the student can attend class);
- Student's birth certificate (requested but not required);
- Student's most recent report card (this information will be requested from the previous school but please provide a copy at the time of enrollment, if possible);
- Parent's driver's license or photo identification (requested but not required);
- Documentation regarding legal guardianship (must be court-ordered guardianship, limited guardianship, relative caregiver, or power of attorney including power and authority regarding the care, custody, and property of each minor child named including, but not limited to, the right to enroll the child in school) or foster care placement (required if applicable with foster care Educational Enrollment Letter);
- Most recent Individual Education Plan (IEP) and evaluation if the student receives special education services (this information will be requested from the previous school but please provide a copy at the time of enrollment, if possible).

Students entering grades 7-12, please contact the school to set up an appointment to complete the enrollment process.

Parents are asked to complete online enrollment for each student enrolling in the District and go to the appropriate school to complete the process. Additional information may be required at the individual buildings at the time of enrollment.

The administration may investigate the eligibility of children attending schools. If a determination is made by the Superintendent or Designee that the student does not meet the criteria to be entitled to free public education by the District, the student may be administratively removed from the District.
