

FALL PARTIES

Our Fall Parties will be on October 22, 2021. Students will be able to wear their outfits/costumes to school. Students will not be able to change into their outfits/costumes at school, so please make sure they are wearing them in the morning and that they will not interfere with the classroom learning.

Costumes should be appropriate for all ages.

Here are some suggested categories from which children could choose costumes:

- animal characters: bear, cat, dog
- historical characters: pioneers, mountain men, famous people
- storybook characters: Snow White, Tom Sawyer
- objects: robot, fruit, crayon box
- careers: doctor, ballerina, nurse, firefighter, police
- native dress: foreign country
- traditional Halloween characters; ghost, scarecrows, princesses
- cartoon characters; Batman, Spiderman, Spongebob

In an attempt to maintain a positive climate at our school, we are trying to avoid the following items:

- blood or weapons (plastic knives, guns, ninja sticks, and yes, even lightsabers)
- clown costumes - Especially those that resemble IT
- low cut tops or tight-fitting leotards unless other clothing is worn over the leotards
- masks that would be frightening to younger children
- suggestive sexual dress or offending dress
- high heels or skateboards

Our parties this year will look similar to last year. No visitors are allowed into the building under the current parameters. If you would like to still help out with the parties, teachers have some options for donations. Even with the current limitations, our teachers are going to make this day fun and exciting for our students.
