

Julie Scott - I have lived in the Wentzville School District for 15 years and have two children currently attending district schools. I am honored to serve as Vice President of the Board and am seeking to continue my service to support the students, teachers, and staff in our community. My educational background includes a Doctorate in Nursing Practice from the University of Missouri-St. Louis, a Master's in Nursing from Maryville University, and a Bachelor's in Nursing from the University of Missouri-Columbia. I am committed to fostering a thriving public educational environment where every student can succeed and every staff member feels valued.
