

Signing a Letter of Intent to play at the next level is an exciting time. We will have 5 picture/media sessions a year. You will need to sign up for the session you want to participate in, in the Activities Office. These dates will coincide with the National Signing Days with one date towards the end of the year for those students that may make a late decision.

We encourage you to sign your paperwork and return to your prospective college immediately, and we are happy to help you with that as needed.
